Welfare at Bede

There's always
someone to talk to.

You always feel
happy when you
leave Room 122.

They don't judge
you or shout at you.

What our pupils say about Student Welfare at Bede Academy

The Welfare
Team takes the
edge off your
hurt.

They know lots of
services in Blyth that
can provide different
support.

If you are upset or have a
problem, it doesn't
matter how small or big
you think it is, speak to
Welfare. You'll be happy
at how much they can
help.
