

Admissions Policy 2021-2022 for entry to Year 12

The majority of places will be allocated to pupils already on roll in Bede Academy's Year 11. In addition, 5 places will be available to external applicants. Applications for admissions are to be made directly to Bede Academy on our application form. All pupils will need to satisfy minimum entrance requirements to the courses for which they are applying. If either internal or external applicants fail to meet the minimum course requirements, they will be given the option of pursuing any alternative courses for which they do meet the minimum academic requirements. Priority for the allocation of places will go to internal applicants; i.e. pupils already on roll in Bede Academy's Year 11. Course requirements are published annually in the Academy's prospectus and on its website. Bede Academy may decide not to run particular courses if the number of students applying for these courses makes it uneconomic to do so. When the Sixth Form is undersubscribed, all applicants meeting the minimum academic entry requirements for their course will be admitted. If there are more external applicants that satisfy any academic entry requirements than the published admission number, after the admission of pupils with Statements of Special Educational Needs or Education, Health and Care (EHC) plan for whom Bede Academy is named on the statement, the criteria for external applicants will be applied in the order in which they are set out below:

- **Looked After Children (in public care) and previously Looked After Children**
A looked after child, as defined by Section 22(1) of the Children Act 1989, is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function for England and Wales. Priority is also given under this criterion for looked after children who ceased to be so because they:
 - i. *Were adopted under Section 46 of the Adoption and Children Act 2002*
 - ii. *Became subject to a child arrangements order under Section 8 of the Children Act 1989, as amended by S12 of the Children and Families Act 2014. Child arrangements orders replace residence orders, and any residence order in force prior to 22 April 2014, is deemed to be a child arrangement order, which settles the arrangements to be made as to the person with whom a child is to live;*
 - iii. *Became subject to a special guardianship order under Section 14A of the Children Act 1989, which is an order appointing one or more individuals to be a child's special guardian(s)*

- **Children on whose behalf written evidence of exceptional medical or social need is presented, such as evidence being supplied by a professionally involved third party and must set out the particular reasons why the Academy is the most suitable school.**
Occasionally there will be a very small number of children for whom exceptional medical social or medical circumstances will apply which will warrant a placement at a particular school. Medical or social priority would normally only be given in exceptional circumstances if the child or a close family member has an illness or disability, or if there are any other exceptional social reasons, which means that one school is more suitable than another. The application must be supported by compelling written evidence from a suitable professional such as a doctor and/or hospital consultant, a social worker or health visitor that sets out the particular reasons why this school is the most suitable and the difficulties that would be caused if the child had to attend another school. This must be submitted at the time of your original application. If the school is not the closest to home, the professional must set out in detail the wholly exceptional circumstances for attending this school and the difficulties if the child had to attend another school. Providing evidence does not guarantee that a child will be given priority at the school, and in each case a decision will be made based on the merits of

the case and whether the evidence demonstrates that a placement should be made at this school over any other.

- **Children who have a sibling(s) who is on the Academy roll.**
Siblings are recognised as brothers, sisters, half-brothers, half-sisters, step-brothers and step-sisters who reside permanently in the same household.
- **Children who live in the published catchment area for the Academy**
Where a child lives at more than one address, the main address will be deemed to be that of the parent receiving the Child Benefit payment. The catchment area map is available to view on our website.
- **Children, on the basis of the closeness of their home's front door to the front gate of Bede Academy, measured by walking in the shortest possible line without entering private property.**
Walking distance must be along a safe walking public route, which does not include private short cuts or walk across open ground where there are no public rights of way. A safe walking route is defined as being paved/tarmacked and lit at regular intervals. For applications for years Reception to year 6 the walking distance will be calculated to the front gate of Bede Academy, Curlew Way. For applications for years 7 to 11 the walking distance will be calculated to the front gate of Bede Academy, Sixth Avenue. Bede Academy use software that is specialised for computer mapping of distance. This is called "Basemap" and takes the X and Y coordinates of the property address and calculates the distance to the front gate of Bede Academy.

Tie Break

Random allocation will be used as a tie-break to decide who has the highest priority for admission if the distance between two children's homes and the school is the same. This process will be independently verified. The Random Allocation procedure is available on request from the Admissions Officer.
